Subject: Bitter Creek Permit Routing

Aaron / Candice,

I'm working from home today and my EPA computer won't log on with badge. Anyway, I was able to access the R8 sharepoint site through my personal computer and clean up some comments on the electronic routing for Anadarko - Bitter Creek CS - SMNSR permit. OWA lite won't let me "open the task" to approve it. Can you manually "skip" me for this action so that the action goes to Monica for review?

Thanks. I'm out of the office for a few days and wanted to keep it routing if possible.

Have a good Christmas.

Eric
